

State of Florida Transparency Law

Services may be provided in this healthcare facility by the facility as well as other health care providers who may separately bill the patient and who may or may not participate with the same health insurers or health maintenance organizations as the facility.

Patients and prospective patients may request from the facility and other healthcare providers a more personalized estimate of charges and other information. Patients and prospective patients should contact each healthcare practitioner who will provide services in the ASC to determine the health insurers and health maintenance organizations with which the healthcare practitioner participates as a network provider.
